DOUGHERTY & COMPANY LLC

Dougherty & Company's Dick Ryan has been ranked as top stock picker in the Semiconductors and Semiconductor Equipment Sector by Thomson Reuters

MINNEAPOLIS, Minn. – July 26, 2017: Dougherty & Company LLC is pleased to announce analyst Dick Ryan has been recognized as a Top Stock Picker in the 2017 Thomson Reuters United States Analyst Awards, which were previously known as StarMine awards. Dick, along with fellow analyst Ash Birla, performs research within the semiconductor and semiconductor equipment industry, for which he was ranked number one for his research performance. The Thomson Reuters Awards are presented to the top 3 analysts in each category.

About Thomson Reuters Analyst Awards

The awards are globally recognized as the gold standard in the objective measurement of sell-side research analysts. They measure performance based on the returns of their buy and sell recommendations relative to industry benchmarks; and the accuracy of earnings estimates. They are used by buy-side firms to identify the leading analysts at sell-side firms.
